

# URi bag

...the discrete pocket sized reusable urinal

## if you've got to go

As easy as 1...2...3  
to use:

1

Flip the lid

2

Pull out the bag

3

Use, then re-seal the cap and empty the bag at your convenience. Wash in warm soapy water

URi bag  
for Ladies

URi bag  
for Men  
(or leg bag  
& ostomy  
bag users)

Leakproof cap means once sealed it can be emptied when convenient

# just go

with a URi bag from  
Manfred Sauer

Fits easily into a shirt pocket/handbag. URi bag is so small and discrete it can be used by anyone, wherever you are - car, plane, coach, camping, wheelchair even bed. So literally "when you gotta go, YOU CAN GO."

Available on prescription... just ask your doctor or nurse
